2018 WINSTON-SALEM CYCLING CLASSIC

VEHICLE OPERATIONS POLICY

- Remember this event is held on public roads, safety must come first in all situations.
- The police request that no vehicle travel as such a speed as to squeal tires in turns and corners. Squealing of vehicle tires or driving at excessive speeds will constitute reckless driving. Reckless driving will not be tolerated, and public safety officers will remove reckless drivers from the race.
- Speeding and reckless driving will result in citations and ejection from the race by the police. The police will determine a maximum speed not be exceeded during the races. This speed will be named at the manager's meeting.
- All staff and team personnel using event vehicles must read and adhere to the vehicle use policy provided at the time of distribution of vehicles.

CARAVAN PROCEDURES

- All drivers within the race, must be properly licensed and have attended a Caravan Drivers' Seminar (USA Cycling or UCI). Team cars shall carry a team manager who holds the appropriate license and will be responsible for the operation of the vehicle.
- Caravan procedures will be reviewed at the mandatory manager meeting before each event. All other caravan vehicle drivers (moto, event staff, etc.) must attend the pre-event drivers meeting. The success of this event will depend on the safe and efficient operation of each person and vehicle in the race caravan.
- Only vehicles adhering to UCI regulations (including a maximum height of 1.66m and windows free of decals or wraps) may be used as team or support vehicles.
- Each team is permitted one follow vehicle in the caravan, which will provide technical support for its riders.
- All vehicles must be properly prepared and staged no later than 1 hour prior to race start. Drivers must remain with their vehicles in the staging area.
- The Commissaires are in charge of all caravan operations during the race; follow their instructions.
- All caravan vehicles will be supplied with a radio. You will be instructed as to which channel to use. Violations of radio protocol may result in penalties as determined by the Commissaires. Managers are reminded that their riders are to indicate requests for service or feeding so that the Commissaires may call the team cars as is appropriate and according to the conditions of the race. Mechanical assistance will take priority at all times.
- Keep right at all times. All caravan vehicles must remain in single file in the right lane. All vehicles must yield the right of way to vehicles moving up for technical support. *The left lane is reserved for passage of vehicles performing support.*
- Vehicles wishing to drop back shall pull to the far-right hand side of the road and allow the caravan vehicles to pass on their left until their position is reached.
- Team vehicles wishing to proceed to the peloton are required to first request permission from the Commissaires by drawing even with the Commissaires and stating their intentions. Team vehicles can then proceed as instructed remembering to use the left-hand lane.
- The caravan pull-off is prior to the start/finish on the last lap and will be required by all but the following: Commissaires, Race/Technical Director and a team follow vehicle only if his rider is arriving solo with a sufficient time gap. Race staff will be directing the caravan to the pull off area.
- There will be NO PUBLIC URINATION by team car support members or the police will ticket them for indecent exposure and/or remove them from the event.

2018 WINSTON-SALEM CYCLING CLASSIC

VIP PICK-UP/DROP-OFF

- Due to the large number of team sponsors and patrons, teams will be allowed to pick up and drop off passengers at specific locations only. Any team picking up or discharging passengers at any other location or found to be driving in a dangerous manner (while performing this activity) will be fined by the organizer.
- VIP and press vans may be used to show off the course or to drop passengers at designated locations. All vehicles on the course must adhere to proper procedures and are under the jurisdiction of the Commissaires.
- Team vehicles will be permitted to pick up and discharge VIP passengers only at the locations indicated in this Technical Guide. Any infringements of this policy will result in a fine levied by the organizer.
- There will NO pick-ups on the final lap (with one to go).

FEEDING

- Feeding will be done in accordance with UCI regulations; after the first 50 kilometers and before the final 20 kilometers. The Commissaires may adjust the distances based on conditions.
- No roadside feeding is permitted outside of the designated feed zone, which will be identified with signs marking the beginning and end.
- Please collect all trash or food and deposit into the trash boxes supplied.
- All unauthorized personnel will be asked to leave the feed zone to avoid crowded and dangerous conditions. All team personnel must wear event credentials and identifiable team clothing.
- Feed zone location: Outbound - Research Parkway (see map)
- As a reference, roadside feeding will begin and end on the following lap numbers:
 - Women: Begin with 5 laps to go (43.9 km); end 2 laps to go
 - Men: Begin with 11 laps to go (43.9 km); end 2 laps to go

PRIZE PAYMENT PROCEDURE

- Prize money for all events will be paid approximately 60 days following the event and after receiving the official results and results of any medical control testing.
- No prize money can be paid unless your team has provided current payee information on a W9 (US); W8 or 8233 (foreign) forms. We will make every attempt to provide you with the necessary forms but it is the obligation of the payee to provide this information to the organizer.

2018 WINSTON-SALEM CYCLING CLASSIC

CARAVAN DRIVER REQUIREMENTS

All drivers must attend a course covering the basics of caravan structure and movement. This class will be taught at each Pro Road Tour and UCI event in the US, usually the day before the race. Anticipated class length is 1 hour.

The certification is good for two years, and is separate from, and in addition to, any type of license. Credit may be given for similar courses taught by the UCI or other national federations.

License Requirements for Drivers by Race Type

UCI Races

Team Cars: Driver must hold a USAC license or license from a recognized National Federation (including Domestic Elite Teams, club teams, etc.) and the car must contain a licensed Sports Director, who may be (and is usually) the driver. This is a UCI mandate. For UCI registered teams, the Sports Director must be listed on the team page on the UCI website.

Other Cars/Drivers: Must be a license holder (rider, officials, domestic driver, etc.)

Obtaining a USA Cycling Sports Director licenses require submission of a paper application, application for a background check and completion of the USOC's SafeSport training. Please allow time to complete these steps. This is not something that can be done on race weekend. In addition, UCI registered teams should allow additional time for their directors to be listed on the UCI website if they are not already there, and must submit this through USA Cycling.

Pro Road Tour and National Championships with race caravans

Team Cars: Driver must hold a USAC license or license from a recognized National Federation.

Other Cars/Drivers: Must have a license or training certificate (rider, officials, domestic driver, etc.).

All drivers must also complete the steps for caravan certification as outlined above.

2018 WINSTON-SALEM CYCLING CLASSIC

MEDIA REGULATIONS

- The following is a summary of the rules and regulations pertaining to the press and media caravans. The safety and control of the race caravan is under the control of the Commissaires.
- A complete set of regulations and penalties is published by the UCI and is available on their web page (www.uci.ch) under Road - Regulations.
- All drivers of press vehicles must hold a UCI-affiliated federation license of a “vehicle driver” for a road event.
- All photographers, press and drivers must be properly identified and credentialed by the Race Organizer. Credentials can be obtained at the media office located in the race headquarters or at the Media Tent on-site day of the event. No individual will be allowed on course without proper credentials.
- Car and moto drivers are responsible for their vehicles and shall immediately comply with orders and instructions given by the Organizers and Jury of Commissaires.
- No press vehicle or moto whatsoever shall be permitted to accompany the riders during the last 500 meters to the finishing line unless specific exception was made prior to the start of the race.
- If press personnel permit riders to hold onto vehicles, they shall be removed from the caravan and suspended for a period the duration of which is commensurate with the incident.
- Within the press motorcade, press vehicles shall have priority over the vehicles of any VIPs that may be present at the invitation of the organizer.
- Photographing and filming from a moving press vehicle (car/van) is prohibited.
- It is forbidden to interview riders as they race. Team Managers may be interviewed except during the last 10 km (provided the interview is from a moto or pre-wired).
- A maximum of three moto/cameras and one moto/sound are permitted in the caravan.
- Motos shall not remain near riders unless filming.
- Any media representatives working at the finish line area must obey the instructions of the Race Director and must not impede in any way the finish of the race. The photo pit at the finish line is designated on the map in this Guide.

2018 WINSTON-SALEM CYCLING CLASSIC

CONDITIONS OF ENTRY

Winston Salem Cycling LLC ("Organizer") shall conduct the Athletic Event according to the descriptions set forth. Should Organizer alter or modify the Athletic Event in any material way, Organizer shall inform Rider of any alterations in as timely a manner as possible.

Organizer shall conduct the Athletic Event according to UCI rules. Should a dispute arise over any aspect of the conduct of the Athletic Event, the President of the Jury shall render the final decision.

Rider shall comply with all rules and regulations governing the Athletic Event and will use his or her best effort to perform up to his or her ability.

Team Manager/Representative shall attend the mandatory Team Managers Meeting and/or Registration to be scheduled within 24 hours prior to each Athletic Event.

If requested by Organizer, Rider agrees that he or she may be interviewed, videotaped, filmed and photographed for promotional purposes if such sessions can be scheduled at a time and place reasonably convenient to both Organizer and Rider.

If requested by Organizer, Team shall attend all press conferences and Event functions.

Organizer shall have the right to promote and publicize Rider's appearance in the Event and shall be permitted to use Rider's likeness as is generally available although not as an endorsement of any specific product.

Nothing herein shall be construed as a representation or agency agreement between Organizer and Team or Rider other than as to pertain to the Rider's appearance at the Organizer's Athletic Events and in the promotional activities immediately surrounding said Athletic Events as described more fully in the contract.

As a condition of entry in each Athletic Event, Rider shall sign a standard liability release form entitled "Accident Waiver and Release from Liability", and a USAC Event Release Form.

Riders must adhere to all USADA and/or UCI anti-doping control procedures in effect at the event.

Riders must finish the entire event within the time limit to qualify for any special classification with the exception of primes.

Championship jerseys may only be worn in the discipline in which they have been awarded (track jerseys in track events, road in road events, etc.). Reigning champions in a discipline must wear their jersey when competing in that same discipline.

No rider will be permitted to race as a member of any other team if the trade team to which the rider belongs has already entered.

All competitors are required to wear a hard-shell helmet as required by UCI and complying with USAC regulations. Any rider removing his or her helmet during competition may be disqualified.

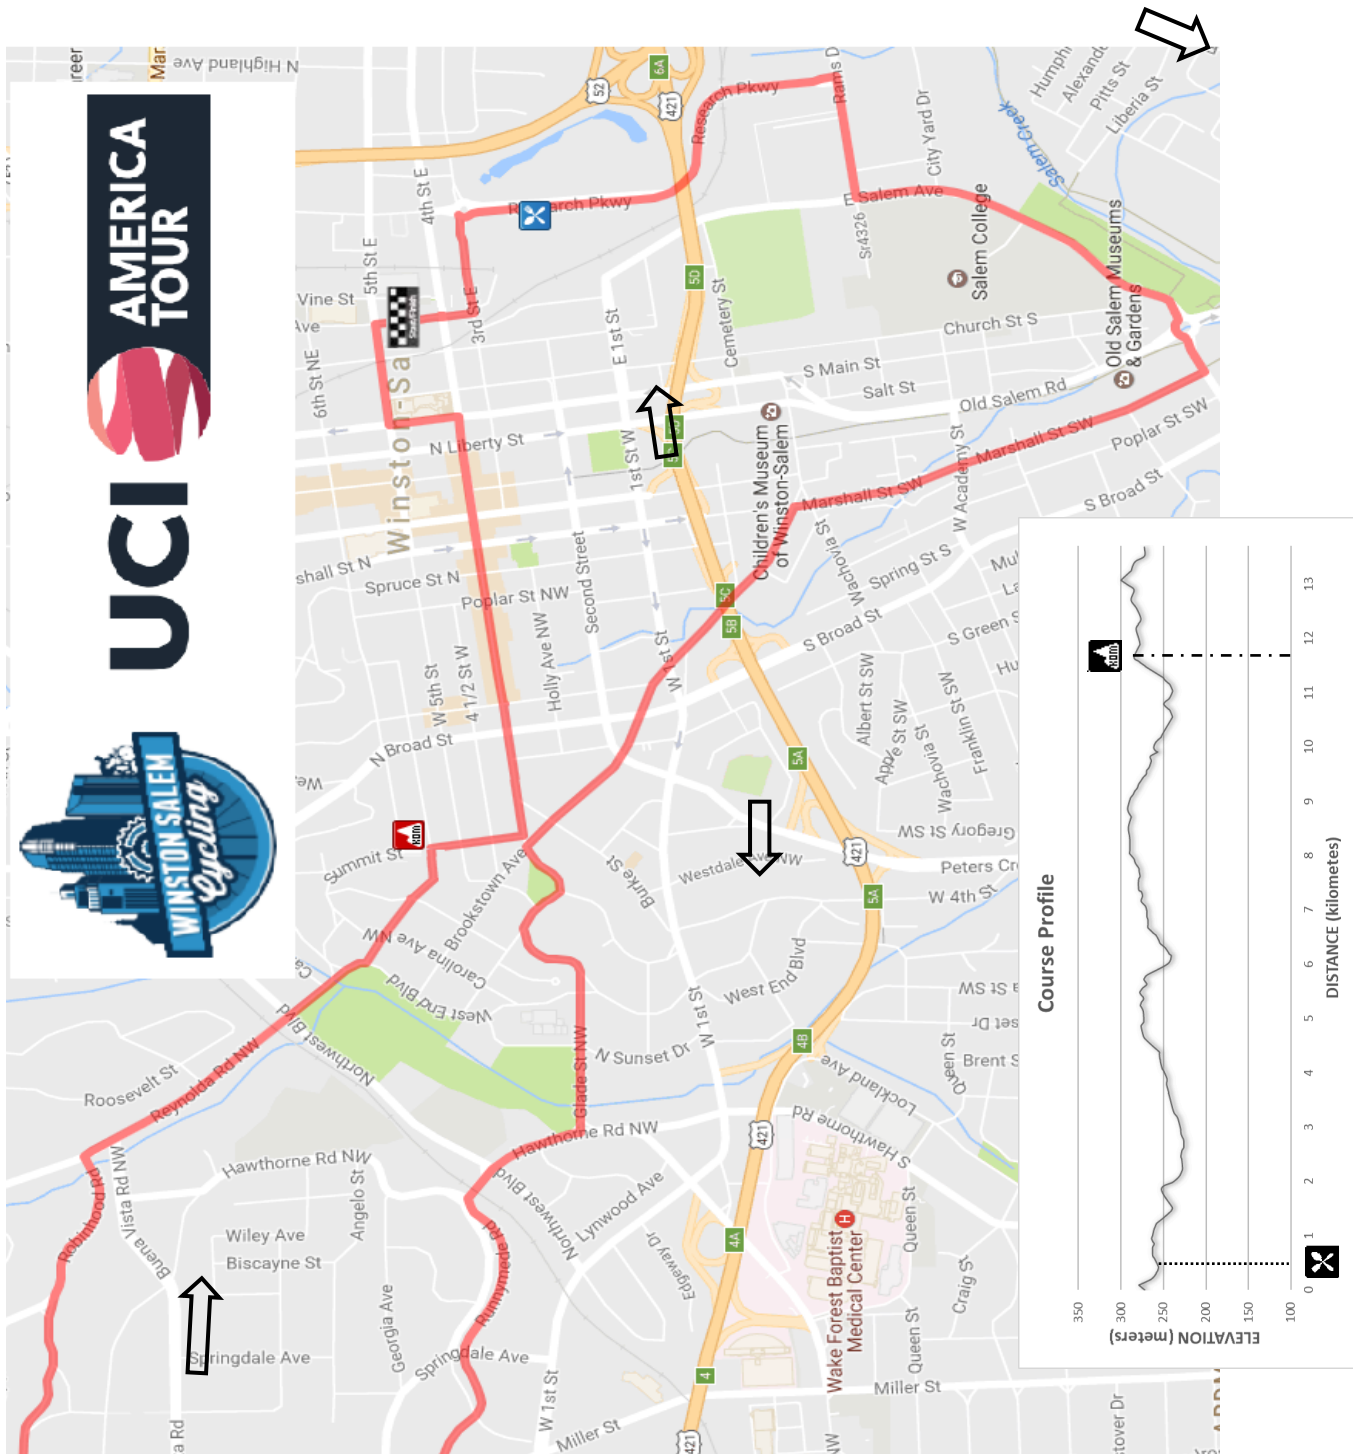

Any Team or Rider who is paid prize money may be subject to any local income taxes and any other taxes including but not limited to US Federal Income Tax. Organizer may, if required by the local Government or the Internal Revenue Service, withhold any such tax payments from Team or individual Rider's prize money.

Any and all damages or expenses incurred by Team or Rider to any facility or property under control of Organizer will be deducted from Rider's prize money. Prize money will be forwarded to Team or Rider approximately 90 days following Organizer's receipt of final drug testing results after each Athletic Event, and provided Rider or Team has submitted any tax forms as required by the Organizer.

Organizer reserves the right to disqualify or eject any persons (rider, management or staff) for failure to comply with the WSCC Conditions of Entry, or who engages in unsportsmanlike conduct (verbal or physical) towards competitors, officials, event staff, sponsors, spectators, etc.
